20th July 2010

To whom it may concern

Dear Sir / Madam

Glenfield Rovers A.F.C. has provided a successful seven-a-side summer football tournament for many years now and we are about to make a change to include younger players. We have previously had a minimum age of 15 years old to compete in this tournament but have found that club members and newcomers have been forced to go elsewhere to compete in summer sevens because of this restriction. We have been the only summer sevens tournament to enforce this restriction.

As from this season, to bring us into line with the competition, we will allow competitors between the ages of thirteen and fifteen the opportunity to participate in this tournament if they have written consent from their parent, guardian or caregiver. Please be aware that your child will be competing against adults in this competition and be aware of the risks involved with that participation.

Please complete and sign below and return to the club to enable your child to participate in this year's tournament.
