### **TEAM WEAR**

#### **This is COMPULSORY**

Teams must have identical colour and style of shirts.  
We recommend that shinpads are worn by every player.  
Screw-in studs are not permitted.  
There will be a compulsory attendance meeting prior to the start of the competitions for all team managers.

Gone are the days where everyone turns up in a white or black shirt with different logos etc. Lets get it sorted

### **Referees**

While every effort is made to organize a referee for each match, circumstances can arise where this is not possible. Therefore on the occasions where a referee cannot be provided, a player from each team will have to do a half each. Matches will still commence and finish as per the playing regulations.

### **Competition**

The competition will commence the week after Labour weekend and conclude with a FINALS DAY in late February/early March 2010.

The Finals Day is played on a Saturday.

Finals Day involves all teams and not just the top 3 or 4 sides.

**If you do not intend attending the Finals Day, please do not enter the competition**
